HR Policy

Purpose

This HR Policy outlines the principles, standards, and procedures that govern the employment relationship at SWS AI. All employees are expected to read, understand, and adhere to these guidelines.

Working Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday through Friday. Employees are expected to maintain a minimum of 9 productive hours per day. Flexible start and end times may be arranged with prior manager approval.

Attendance & Punctuality

Employees must mark attendance daily via the company HR portal. Absences must be reported to the manager and HR team at least one hour before the start of the workday. Repeated unexplained absences may result in disciplinary action.

Code of Professionalism

All employees must maintain a professional demeanor in all interactions — internal and external. This includes respectful communication, appropriate attire (during video calls), and adherence to meeting protocols.

Grievance Redressal

Employees with workplace concerns should raise them with their direct manager first. If unresolved, issues may be escalated to HR. SWS AI maintains a zero-tolerance policy for harassment, discrimination, and bullying.

Performance Management

Employee performance is reviewed bi-annually. Reviews assess technical competency, collaboration, ownership, and growth mindset. Consistent underperformance will trigger a Performance Improvement Plan (PIP).

Disciplinary Action

Violations of company policy may result in verbal warnings, written warnings, suspension, or termination, depending on severity. Serious misconduct — including data theft or harassment — may result in immediate termination.

Equal Opportunity

SWS AI is an equal opportunity employer. We do not discriminate on the basis of race, gender, age, religion, disability, sexual orientation, or nationality.
